Sir/Madame,

Re: your letter to our client, Yugan Engineering Ltd

On behalf of our firm's client, Yugan Engineering Ltd, we refer to your letter dated 2 January 2019, as follows:

1. Our client strongly denies the claims as per your letter.
2. Our client provides services to Israel Railways and your letter should be referred to them.
3. Without derogating from the above, you are in demand not to publish any information referring to our client and any of its behalf, including its shareholders, in any means whatsoever, including in your website.
4. Failing to do so, will expose you to legal proceedings, including but not limited to defamation and infringement of privacy.
5. We are also in doubt whether your activity is legal in accordance with the Israeli law, and will take the necessary measures to ensure that, including taking this matter to the police and the ministry of justice.
6. It is our impression that your activity is somewhat on the verge of criminal extortion, and you are requested to cease all activities concerning our client, which is a well-respected company, employing more than 50 workers thus providing food for their families.
7. All our clients' rights are preserved.

Regards,
